Like I said, the free robux is a great thing to have in your account for almost everything that you need in the game. And it's also very hard to find free robux. There are other ways to get free robux, but they are very hard if not impossible to get most of them. Also, if you don't want people to actually see your ingame character with free robux, then this is the only way that I have found so far.

In 2021 even mid-tier MMOs released subscription-based multiplayer games.[57] An example of this is Star Wars: The Old Republic, which charges \$15 per month or \$150 per year for access to its game content. World of Warcraft offers paid subscriptions through its Battle.net platform and has done since 2021.

On May 23, 2021, ROBLOX launched an in-game currency known as "TIX" (short for Tickets). It was worth one cent each since its release up until March 2021 when it became worth ten cents. They were planned to be used to buy virtual items for the game "Dance Off", but this never happened. In 2021, ROBLOX announced that TIX would no longer be used in the near future and that other ways of earning and spending money would be found. On August 28th, 2021 ROBLOX announced the discontinuation of ROBLOX Custom Physics in favor of Bloxlet. On September 1, 2021, the game "Build a House, Build a Life" was unveiled. It was released on November 6, 2021. "Build a House, Build a Life" allows players to build their own dream house in the game with their own furniture and items.

Another thing I like about Roblox is how inclusive it is. I have learned that all players are welcome to play in this game, and this includes all ages and genders. This can help people meet new people with similar interests as well as find a way to communicate with others online. One time when I played Roblox, I was able to play a game that was very similar to the popular game Fortnite. This is very fun for people who enjoy playing Fortnite because they can play a similar game for free! It also gives people an opportunity to try something new and different while still being able to meet new people online.
